CORE COMPETENCIES

- **Construction & Infrastructure Delivery** – General contracting, commercial renovations, institutional construction, and site improvements adhering to federal and safety standards.
- **Program & Project Management** – Comprehensive oversight including budgeting, scheduling, risk management, stakeholder communication, and quality assurance.
- **Facilities Management & Support Services** – End-to-end maintenance, janitorial, logistics, and space optimization for federal and commercial environments.
- **Administrative & Management Consulting** – Strategic planning, process improvement, and organizational development aligned with agency mission and performance goals.

ABOUT US

Veritas Edge Solutions, LLC is a Women-Owned Small Business (WOSB) providing integrated construction, facilities, and management consulting services to federal, state, and commercial clients. With primary NAICS codes 236220 and 541611, Veritas Edge Solutions delivers full-cycle program management and infrastructure solutions; from project conception through completion, ensuring cost efficiency, regulatory compliance, and superior quality. Veritas Edge Solutions is a trusted partner in building resilient infrastructure and sustainable operational frameworks that advance our clients' missions and strengthen communities nationwide.

DIFFERENTIATORS

- **Multidisciplinary Expertise** – Combined capabilities in construction, consulting, and operations create a one-stop solution for government clients.
- **Proven Leadership** – Experienced executives with backgrounds in infrastructure delivery, facilities management, and organizational strategy across U.S. and international markets.
- **Performance Excellence** – Documented record of delivering projects on time, within budget, and in full regulatory compliance.
- **Client-Focused Approach** – Agile, responsive, and collaborative project delivery tailored to agency mission and operational needs.
